TEACHERS AND STUDENTS VACATIONING

Left to Right: Fendrick, Yohn, McCollough, Swackhammer, and Brissel. (in Canada)

Just a Bear after our "Honey", (Miss Bowman in Colorado)

When June's breezes blow, that is the signal for students and teachers alike to think of vacations—three months with no responsibilities and worries. Shelby students and instructors were quick to take these days as time of relaxation, endeavoring to do some part-time work, and make plans for the coming of school in the fall. By the pictures on these pages it can be noted that some Shelby students and teachers took extensive vacation trips; some to Colorado (feeding bears), some to Canada for fishing experiences, some to church camps, some to Niagara Falls, and some to vacation in Shelby.

The summer months passed all too quickly and the third week of August rolled around. That time signaled the chance for all football players to take their places in rugged drill to be ready for the first game of the season—A Pre-View with Mansfield Madison (Sept. 5th). With all this in mind, the staff has endeavored to capture in picture and in writing how all the activities and happenings at Shelby High take place. The annual is planned on a chronological approach—with things placed in the book as they happen from June until June. It was difficult to place the various classes in the book but these follow a major activity in which that class has taken part. The staff takes pleasure in presenting this the New Approach in Shelby Annuals—the 1953 Scarlet "S" of Shelby High School.

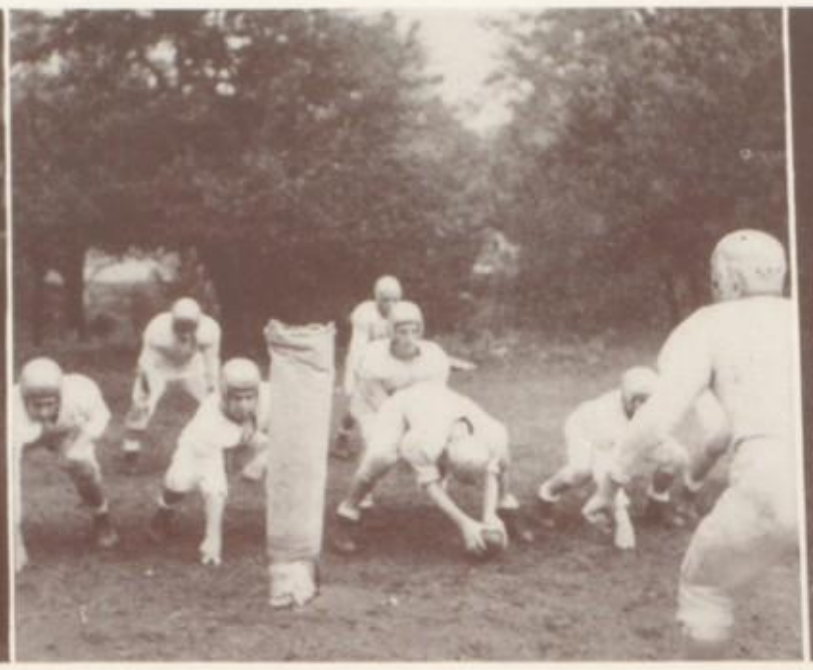
RED AND GRAY

Coach Wilkins discussing a football play with members of the team.



The members of the varsity practicing the play shown by the coach.

The play in action on a Friday night at Skiles Field.

The Red and Gray had a good fighting spirit this year. They proved this fact by winning a share of the NOL title. While playing an alert, aggressive type of ball, the Whippets lost only to Madison in the preview; their perennial jinx, Ashland; and to a strong Upper Sandusky team.

A winning start is always good for a team's morale. However, Shelby lost the preview game to Mansfield Madison by the score of 21 to 20. Their spirits were not dampened at all as they displayed a lot of power in downing Fostoria 39 to 25. This was the first time the Whippets had defeated Fostoria since the beginning of the series.

Coaches Wilkins, Swackhammer, and Copeland.

The following week the locals met Willard at home. The Flashes found it difficult to put the ball across the goal line and went home on the short end of a 26 to 0 score.

The Whippets traveled to Galion where Shelby's powerful attack smothered the Tigers 46 to 7.

Shelby next met Bucyrus on the Crawford county seat's gridiron. This game was exciting all the way even though the Redmen could not score while Shelby pushed across 40 points.

The nemesis of the Whippets again proved to be Ashland. Shelby just could not get rolling on Meyers Field and was defeated 19 to 6.

Shelby played host to Bellevue the following week, and proved their championship calibre by another win, 41 to 13.

The Whippets traveled to Norwalk and downed the Truckers 13 to 6 in one of the most exciting games of the year.

At the annual Homecoming game, Shelby High was host to the powerful Upper Sandusky Rams. More than 4000 fans attended this "Game of the Year". The Whippets met their final reverse, losing 27 to 0.

The following week Shelby's Whippets wound up the 1952 football season against the Crestline Bulldogs. They won a half interest in the Northern Ohio League crown by defeating Crestline 19 to 0.

SCOREBOARD CREW

Left to Right: Mr. Archdeacon, Dan Mellick, Kenneth Place, Bob Carleton.

At the beginning of the season, most of the fellows were green and unaccustomed to playing supervised football. The coaches worked hard teaching these boys the fundamentals of the game, the plays and how to condition themselves for football.

The following record of wins and losses, is proof that these boys learned their football well.

The Young Whippets got off to a good start, by edging Mansfield Madison, in it's opening preview 7 to 0. Next, a strong Willard team took the measure of our boys 13 to 6. The team then traveled to Galion, to fight the Tigers to a 0 to 0 tie. Another loss to Willard followed. Willard 24, Shelby 7. The J. V's. came back strong the next week to beat Galion 21 to 0. The following week Mansfield Madison upset Shelby 13 to 7. The Belleville varsity then edged the team 20 to 14. This was one of the Young Whippets best games and a tough one to lose.

These Young Whippets have interested a good many of the younger boys in football and will give a good account of themselves with future varsity teams.

THE CHEERLEADERS

The Whippet Cheerleaders were selected by the student body in the spring of 1952. The five girls chosen spent many days during the summer practicing and preparing themselves for the year's work.

At the opening of the football season they prepared posters to help stir up enthusiasm and spirit for the team and the school. On each Friday they had charge of the pep meeting held at the conclusion of the day's work in the auditorium. That evening found them on the field ready to lead the large crowds in cheers for the team.

After football season they turned their attention to basketball and again planned pep meetings, arranged programs, and worked with the band to develop new yells and cheers for the basketball games. Many times during the season they had to plan for two games a week.

THE JUNIORS PRESENT

Left to right: Elinor Spangler, Shirley Ralston, Evaldo Caporini, Larry McFadden, Stanley Young, Carolyn Briggs, and Thelma Workman.

TISH was the name of the play given by members of the Junior Class as their dramatic production for the year. It proved to be a hilarious, three-act comedy which brought many laughs and comments from the large number of people who witnessed the performances on November 13th and 14th. Carole Hannafus, who played the title role very well, was supported by two very eccentric friends (on the stage) Mary Lou Willet and Mary-Chase Clark.

In preparing for a play it is necessary to plan many stages for producing such an undetraking: try-outs, rehearsals, setting the stage, painting the stage equipment, and dress rehearsals. On this page and the next are pictures showing some of these phases in producing a play.

Eighty-six Juniors and Seniors comprised the largest choir in the history of Shelby High School. They assembled in the music room three to five days a week for rehearsal and training under the direction of Mr. Paul Braden. Two young ladies served as accompanist for the group—Shirley Seitz and Barbara Strohminger.

Three concerts were planned for the school year—one prior to the Christmas Holiday season and given on Sunday, December 14th; the second on Sunday, February 22nd; and the last, the Spring Concert, on Sunday, May 3rd. All three occasions were joyous times for the members and they were concerts that will be remembered by the large numbers of people who attended. The choral group also appeared at the Baccalaureate service held in the auditorium on Sunday evening, May 24th.

The choir participated in several contests as well as a league festival. The first contest was held at Ashland, Ohio, on March 14th, and this was a district occasion. Later that month, on March 27th, the choral group served as hosts to the league festival. Choirs came from Bellevue, Norwalk, and Upper Sandusky schools.

Under the direction of Coach Swackhammer the Reserve Basketball Squad finished the season with 8 wins out of a total of 19 games played.

During the first part of the season the young Whippets compiled a very good record. Due to the promotion of several players to the varsity roster, the task of cultivating experienced members was an acute one for the coach. Although these boys lacked experience, they proved themselves on the court and came forth with some excellent basketball handling and playing.

THE SNOWBALL

Interesting, Gene?

A glimpse of the elaborate chandelier that was used in the center of the beautifully decorated gym.

Over a hundred gaily dressed couples enjoyed the dance sponsored by the Spanish group on December 20th.

Time out! This was a rest period at the Snowball. David Sipes is whispering something to Sandra Anderson (fourth and third from right). The stage curtain was decorated with "snowflakes" and the word SNOWBALL.

EL CIRCULO ESPANOL

El Circulo Espanol began its activities for the year in October by initiating the new members—and the juniors seemed to enjoy every minute of the "ritual." The informal initiation was followed by a formal ceremony, dancing and refreshments.

In December (December 20th) the club sponsored the SNOWBALL for all students and friends of Shelby High. This required a great deal of preparation and labor by the members of the club. Many nights were spent in preparing decorations and programs for the elaborate formal affair. By the pictures on the opposite page one can readily appreciate the work which was necessary to make this a very outstanding social event.

The Shelby Whippets ended the basketball season with a great showing. The team tied for first place with two other schools in the Northern Ohio League. These two schools were Bucyrus and Bellevue.

The seven league games were thrill-packed and often very close. The first three games were as close as possible: a 1 point victory, a 2 point victory, and a 3 point loss. In the last four games the margin of victory was greater with Shelby winning three and losing one.

In the sectional tournament held at Marion, Ohio, Shelby drew Upper Sandusky. It isn't wise to speak of revenge but the chance to win over Upper gave the Whippets a grand feeling. Shelby never played a better game than that played on the floor of the Coliseum; the margin of victory was even greater—76 to 54 over Upper.

In the semi-final Shelby again met an old rival—the Bucyrus Redmen. The latter team proved too great and the Whippets were defeated by the score of 48 to 35.

A scene from the county wide F.H.A. banquet which over 300 girls attended. This was held at Shelby High School. (The SCARLET S photographer was really scared when he saw all those women.)

The Future Homemakers of America of Shelby High started the year's activities in the summer months of 1952. At that time a group of the girls attended a summer camp for the purpose of obtaining training to prepare them for the work of the year. This was held at Camp Muskingham, Marianne Patrick, Beverly Myers, Hazel Stump, Sally Baird, Bonnie Graham, and Mariella Smith attended.

With this training and with plenty of plans for the year, the officers and members started the year and endeavored to arouse interest in the girls to become members of the club.

Regular meetings were held during the school term and these offered interesting and educational programs. One was the county wide F. H. A. meeting held at Shelby. Over 300 girls attended and the Shelby club acted as hostesses. An interesting program was presented in the auditorium. Each unit from the various schools in the county presented a part in this entertainment.

In January the club held a formal initiation in the cafeteria. The new members were formally accepted into membership in the organization. Following this impressive ceremony, a tea was served to the members and their mothers who were guests for the evening.

In February the F.H.A. together with the local F.F.A. chapter presented a dance in the gym. This was called "Hearts In Harmony Dance."

Other activities included a trip to Columbus for the annual state-wide meeting of F.H.A. chapters and another county-wide get-together held at the Shiloh High School. Mrs. Virginia Phillips served as advisor for all these activities.

The Future Farmers of America is an energetic and lively group of boys who are majoring in Vocational Agriculture. This is the second year for the organization here at Shelby and already the members have been able to win county and state awards in contests, judging, and speech-making. The group met regularly through the school year and also during the summer months. Mr. John Shank, the Vocational Agriculture instructor, served as advisor for the group.

Some of the projects and activities for the club during the year have been meeting with other FFA units in the county and the district; having physical education programs after the regular business meetings; and taking part in speech and oratorical contests with other FFA clubs.

In the month of February, the FFA united with the FHA group of Shelby to sponsor the successful dance "Hearts In Harmony". James Holtz was named king by the FFA members and his assistants were LaVerne Barber and Brendon Finnegan. They reigned along with the FHA queen and her attendants.

Steve Keller and Laverne Barber admire the many awards that have been given to the Shelby FFA chapter and to individual winners. This has been quite a record considering that the club has been in operation for only two years.

THE WHIPPET BAND MAJORETTES AND DRUM MAJOR

Left to Right: Nancy Jones, Shirley Seitz, Ardon (Sonny) Miller, Marilyn Dick, and Edna Workman.

No band would be complete without a drum major and a group of pretty majorettes. Shelby has been fortunate for the past few years to have a capable drum major and dancing, twirling, and high-stepping majorettes. Ardon Miller has served as drum major for three years and he will be remembered by the football throngs for the clever manner in which he directed the large Whippet Band on the athletic field and the streets during a parade. His work was glamorized by the performances of the four majorettes. At all home football games these four young ladies did intricate dance steps before the "Black Lights"; they also did clever marching with the band during the half-time features.

Left to Right: Betty Crall, Mary Scheerer, Virginia Blatter, Martha Scheerer, and Sonia Harrer.

The Junior Band also had a capable group of majorettes who directed the band at the reserve football games held on the W. W. Skiles Field. Both of these groups worked hours each week to prepare their parts in the football programs.

Absent when picture was taken: D. Wetz, L. Baker, L. Seigfried, M. Minich, G. Sprow, and D. Eckert.

The Junior Band is composed of members from the 7th and 8th grades and a few from the 9th grade. The group meets every day for rehearsal and drill. During the football season the Junior Band performed on the home field whenever the reserve football team played a home game.

In the Spring the band presented a concert for the general public along with members of the Senior Band.

The band serves as an excellent training period for members of the Senior Band. Most of the members of the Junior group are "promoted" to positions in the Senior Marching and Concert Band.

The Eighth Grade Basketball squad finished the season with 12 wins and 1 loss. This is a remarkable record considering the fact that the schedule included some very good ball clubs. If this team can maintain an equally good record throughout their high school basketball career they should establish some records and win a few trophies.

Standing: Richard Pry, Robert Wilcox, Courtney Roth, George Williams and Clark Simpson.

Robert Wilcox putting.

The Whippet Golf Team did exceptionally well last Spring in the District Tournament held at Findlay, Ohio. They scored decisive wins and became "Runner-Up" for the district and thus were entitled to take part in the State Golf Tournament in Columbus. Coach Yohn and his lads deserve great praise for the fine showing in the district and the state.

RED AND GRAY BASEBALL

Top Row: Robert Carleton, Raphael Friebel, and Lowell Jarrell.
Next Row: Kenneth Foreman and Austin Alfrey.
Third Row: Robert Adkins, James Riley, Wincel Ingram, and Don Bucknam.
Bottom Row: Nick Davies, Kenneth Seib, Jo Wildman, Lionel Ebersole, Coach Williams, James Yetzer, and Edward Davis.

At the first sign of spring Coach Williams issued a call to the baseball candidates. A large number of boys answered it, including many of last year's starters. The first thing on the agenda was the conditioning of the boys. This was done in the gym until the weather was good enough to let them get outside. Shelby's chances of turning out a good team this year are bolstered by the fact that they have many veterans from last year's team. If this squad shows the spirit and the will to win that former Shelby baseball squads have shown, they should give a good account of themselves this season.

Also on the squad (besides those pictured above) are: Donald Dodd, Richard Cecil, Ronald Moore, Eugene Whiteman, Charles Briggs, Robert Chew, Jerry Lowmiller, Donald Hoffman, and Eugene Payne (Manager).

RED AND GRAY TRACK

First Row, Left to Right: Duane Seaton, Stewart Smith, Kenneth Loescher, Daryl Keller, Phil Keller, Richard Reed, Floyd Souslin, Roger Hopton, and Coach Copeland.

Second Row: John Keener, Ambrose Metzger, Dwight Hogue, Gary Milliron, Kenneth Place, Gene Leonhardt, Robert Racer, Ted Sargent, and James Yahney.

Relaxing Time—members of the track squad finding a few moments to rest.

Gene Leonhardt and his "shot"; incidentally he was very good with this.

Floyd Souslin and Richard Reed all set for a track event—"Ready! Set! Bang!"

The Whippet track team achieved an outstanding record in the spring of 1952. In all the events in which the team participated under the direction of Coach Matt Cokor, they came away with honors or some recognition. The final glory was achieved in the Northern Ohio League Meet; at this time the Whippets won the championship. This was the first time for many years that Shelby won such an award in track events. In the fall of 1953 Coach Copeland took over and anticipates to win again for Shelby top honors in track.

DEDICATION

When we entered the Seventh grade, we were immediately confronted with a test—not the usual kind, but an IQ test. This was our introduction to a man on whom we were to depend far into the future as a friend and counselor.

We soon learned that any problem, however great or small, warranted his full consideration and thoughtful advice.

During our school years, his services have been invaluable and we realize the importance of this influence on our future lives.

For some, he has completed applications and secured scholarships for college entrance. For more, he has given recommendations which led to suitable employment. And for all of us, he has spent unlimited hours in the supervision of this book, without which its production would have been impossible.

In grateful tribute we DEDICATE the 1953 "Scarlet S" to ROBERT R. WENDLAND.

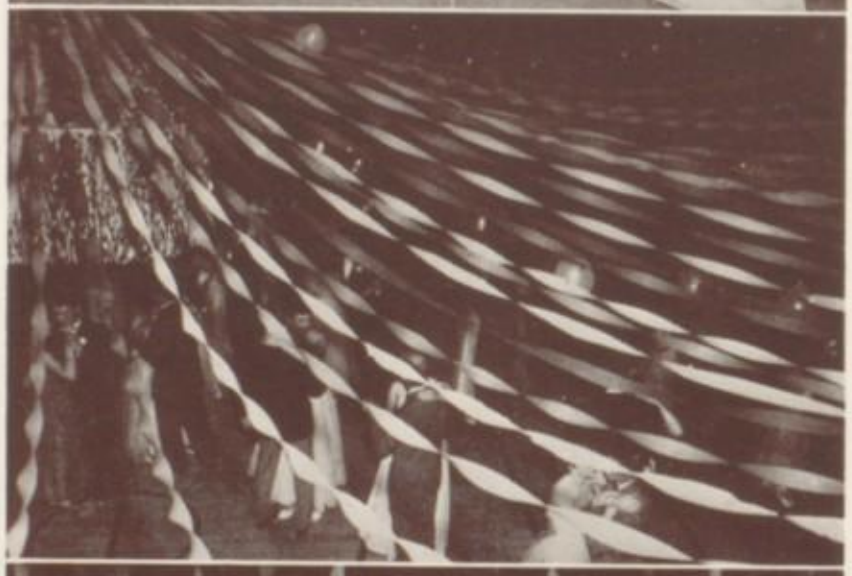
THE SENIORS . . .

The Class of 1953

The receiving line at the Junior-Senior Prom of 1952. This was OUR PROM.

Left to Right: Patricia Seltzer, Brendan Finnegan, Isabel Francis, Dennis Herlihy, Miss Cerny, Mr. Wendland, and Mrs. Klopfenstein.

Weren't our decorations pretty? We worked a Friday Evening, and all day on Saturday to place all the decorations. This did not include those many evenings we spent in making the fancy trimmings.



We went "all-out" for entertainment. Here the Boys' Quartet entertained the Juniors, Seniors, and their guests. It indeed was a great PROM and we challenge all future classes to surpass this.

Left to Right: Charles Hornbrook, Burton Kenton, Manning Haynes, and John DeVito.

A RECAPITULATION . . .

1949-1950

Those long awaited high school days had finally arrived. Now we as Freshmen were able to participate in more school activities, just to mention a few: senior band, the all-school play, the dances, the athletic teams, and the school clubs.

Those were exciting days for all of us. It seemed so good just to be growing up.

1950-1951

The sophomore year brought more excitement and activity. That fall we were told that we should organize our class and elect officers. We did just that and elected David Sipes to be president; Dennis Herlihy as vice-president; and Janel Irey to be the secretary-treasurer. Miss Hughes was chosen to serve as our advisor.

The main attraction for the year for the class was the spring party held in April of 1951. This was a dance—our own dance—in the school gym. We selected the fancy title "Jungle Frolic." It has always been a mystery why this name was selected. It is hoped that there is no reflection on the members of the class.

THE SENIORS . . .

The Class of 1953

1951-1952

Up the ladder to the Junior class—this was our slogan for the year. The class business for the year was begun with the election of the class officers and the class executive committee. The class again turned to David Sipes and elected him to serve as president. Gene Leonhardt was named to serve as vice-president and Patricia Seltzer was chosen secretary-treasurer. Miss Harryet Snyder was selected to serve as advisor for the class.

During this year a new classroom-subject was added to the choice of studies. However this was for boys only and was the vocational agriculture course.

For our class play we selected under the guidance of Mrs. Klopfenstein the three-act comedy "Cheaper by the Dozen." This was presented well and the audiences seemed to enjoy our acting. The class also sponsored a unique dance in the early part of the year. "Candyland" was the title selected and this was quite a bit different and certainly more sophisticated than our sophomore adventure.

Near the close of the year representatives for boys' and girls' state were chosen to represent Shelby and our class at the meeting sponsored by the American Legion and the Legion Auxiliary.

The seniors honored us with a farewell dance held in the gym. "April in Paris" was the theme for the entertainment.

Our big affair of the year was the Junior-Senior Prom held in May. We changed the gym completely to resemble a Mardi Gras scene. It was really beautiful and the guests were completely stunned with the beauty of all the decorations. This was an all-night affair that was supported by many civic organizations of the city. We didn't get home until the "wee" hours of the morning.

Getting ready for our prom. Just a painting time but we enjoyed it.

We certainly looked gay as we started home from the breakfast served to us in the school dining room.

1952-1953

The last year already. Class elections brought the same officers as those for the Junior year. David Sipes has a record in that he has been a three term president. Mr. Robert Lafferty was chosen to be class advisor.

The new music rooms were opened at the beginning of the school term; so were the vocational agriculture shop and class room.

During the year to "raise" as much money as possible for class activities including the SCARLET S, the class managed the football stand, sold candy at basketball games, and sold candy in the hall during the noon hour.

The days went fleeting by and we wondered where we were going.

As a final social activity of the class we sponsored a dance to honor the juniors. This was held on April 25. The juniors in turn planned a beautiful prom to honor us. They gave this on May 16 and this again was an all-night affair.

May 24 came and this was our Bacalaureate service held in the school auditorium. Commencement soon followed and we listened attentively to our speaker, Mr. Victor Moore of T W A. This was a happy and a sad occasion held in the auditorium, Wednesday evening, May 27. Our parents were proud of us as we slowly marched across the platform to receive our diplomas. It was a sad time indeed for us. Now we were on our own.

At times it has been difficult but we managed and we have had fun. These high school years will be remembered and never forgotten in the minds of the members of the CLASS OF 1953.

Faith *in the sky*

Just child's play? Yes . . . but an interest is being born. First thoughts of flying came to the Wright brothers from a toy that was powered by rubber bands. From their boyish hands, the toy sailed through the air, and as it soared, their thoughts did, too. Today, faith in the sky comes naturally to American youth. It comes naturally to Ostuco, too. Though we are a pioneer in the development of steel tubing, we still have a youthful enthusiasm for new problems and new requirements. As a supplier to more than twenty leading American aircraft manufacturers, we have our sights set high. Our faith, too, is in the sky.

Shelby High graduates with their own sights set high, will receive first consideration when applying for employment with "The Tuby." Already in our "Tuby Family" are many graduates of other years and we hope a good number of this year's graduating class will come to be "old timers" at the Tuby too.

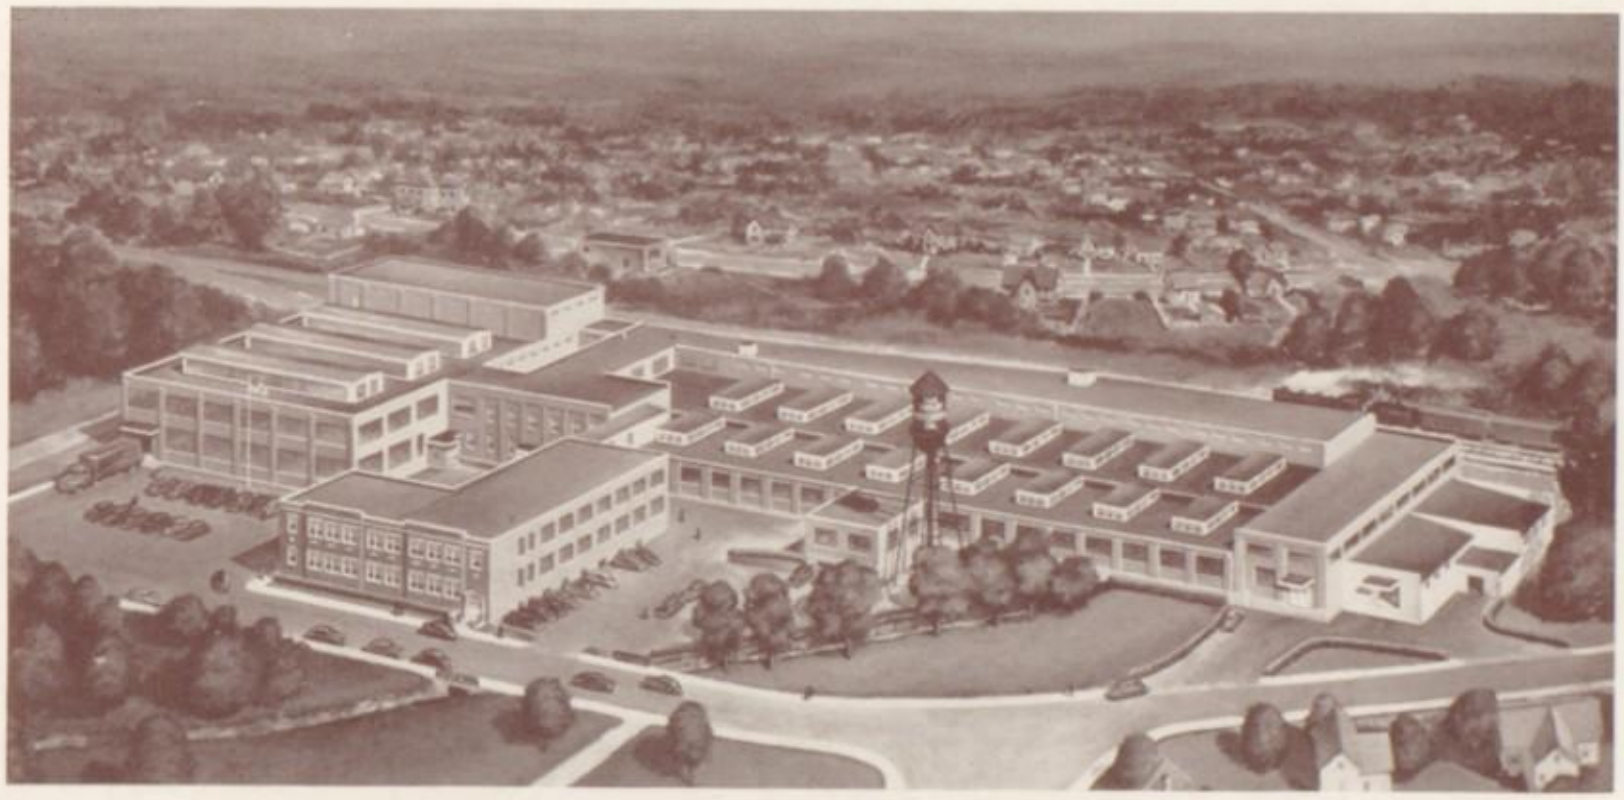
The SHELBY SALESBOOK COMPANY



Our wish for you that will never end — Good Fortune, Good Health and a Host of Friends.

SAYING farewell to the school that has nurtured the most formative years of one's life is "... such sweet sorrow," bringing as it does the thrill of facing a new phase of life, tempered by realization that these were, after all, the simpler years.

HOW FAR one goes in the new life depends in large measure upon how well you have appraised the value of the disciplines and principles of primary education ... to what use are put the lessons learned thus far.

SO WE say to all of you; "Congratulations and God Speed you to fine citizenship and success, measured in the qualities that will do credit to the name and fame of Shelby High."
